

Since November 1959, our symphony orchestra has been a part of the Magic Valley region's vibrant arts scene.

Our 60-member orchestra is composed of both young and mature musicians.

During our '17 - '18 concert season, you will enjoy:

- \* Traditional concerts of the world's most enduringly beautiful music in October, November, February, and April.
- \* Annual spring Pops concert to delight all ages.
- \* Guest artists and conductors.
- \* After-concert receptions with art shows and entertainment by young musicians.

Young musicians are supported and encouraged by the Magic Valley Symphony through:

- \* Biennial Youth Soloist Competition
- \* Mentoring MV Youth Orchestra
- \* Music Scholarships
- \* Symphony League's Carma's Kids program
- \* Invitations to accomplished students to perform with Magic Valley Symphony.

We are a community symphony supported by the community. Please assist us in our long tradition of nurturing our young musicians and bringing great live music to the people of Southern Idaho.
